

I have just finished this years club racing season riding for Bemsee when I was entered in the Rookie 1000, I ended the season by winning the championship. I also rode a few times during the year in the MRO stock/clubman cup which is the two groups I will be riding in next year, during the year I had numerous podium finishes and the last race of the season at Brands Hatch I had a 1st place and a 2nd Place, in the MRO group. My web site is at www.grpracingteam.co.uk. And the web site for the club is www.bemsee.net

These races have been televised on Motors TV and every race has been filmed which will soon be available to view on the clubs web site.

The new season starts on 5 & 6 March 2011 and runs right through until September.

I will be riding in the Bemsee MRO stock class, this will be my second year for club racing, I have however done many track days with some fantastic times. I have also this year been to Almeria in Spain testing with a team from British Super Bikes, and am going testing the new Kawasaki ZX-10 R 2011 and tyres in Spain in January / February 2011. This will be my main race bike for the 2011 season.

I am however looking for some sponsors for next year, I already own two bikes, Kawasaki ZX10r 2008 models, but I have ordered a new Kawasaki ZX10 2011 model, for next year so I already have the bikes. I also have a vehicle to transport them in so my main costs are entrance fees, fuel and tyres and spares.

Anybody who wishes to make a sponsorship contribution could have there logo or name on my bikes, leathers, the van and websites. Depending on how much the contribution was would depend on amount of advertising I would provide.

This could offer new opportunities to businesses and companies to get involved in a hugely rewarding and beneficial race series. Whether you can provide cash or products you know it will be good for your business and your people/customers.

If you are interested in being a sponsor please contact me directly on my mobile Tony 07816 272196 or my email grp1@btinternet.com. I can be available for a face to face meeting at any time, and I am looking for immediate response I need decisions by the end of December as I am getting the van and the new fairings painted ready for the new season.

I thank you for taking the time to read this and I look forward to receiving a response either way.

T Rogers

13 Links Road, Weymouth Dorset. DT4 0PE

We are looking for sponsors we will list all sponsors details on the web site and on both of the bikes and van.

zx10r 2008
