**OVER 1600
HGV'S STOLEN
LAST YEAR**

CRIMINALS DON'T DISCRIMINATE - **BE PREPARED**

It is 4am on Monday morning, a vehicle has been stolen from your yard, police have been informed, the driver sent home, loss of days earnings and possible business contracts, then the mass of paperwork for the insurance claims.

Not much more you can do?

OR IS THERE?

Register your vehicle for the TTTA now and in the unfortunate event of a vehicle theft know that 1000s of extra 'eyes in the road' will be assisting the Police to locate your vehicle on the UK road network.

- 8 in every 1000 HGVs are stolen
- Only 1 in every 1000 HGVs are recovered
- 1 in 4 victims WILL lose business
- Over half the trucks stolen are taken from the operators own premises

TRUCK THEFT TEXT ALERT

How it works

- After Registration, The Company will text the central number to notify a Vehicle has been stolen.
- They will then receive a call back to verify and obtain further details of the theft, registration, make & model, markings and distinguishing features.
- Within 30 minutes your information is passed to 1000s of drivers to be the "eyes on the road" to help locate your vehicle
- When a stolen vehicle is spotted the Police and a member of the team are informed with it's location and movement
